

DECLARATION OF A FIRE DANGER AREA AND FIRE DANGER PERIOD

The Executive Director of Bushfires NT, Department of Environment, Parks and Water Security, hereby gives notice that, under section 62(a) of the *Bushfires Management Act 2016* and with reference to section 63 of the Act, declare the period from **25 August 2023 to 29 February 2024** to be a fire danger period in the part of the Territory that lies north of the 21st parallel of south latitude (approximately 150kms south of Tennant Creek).

The major effect of this declaration includes the following:

- Throughout the declared area, a permit to burn under the Act is required before any burning is conducted;
- A person must not leave an area before thoroughly extinguishing any fire they have lit.

There are substantial penalties for failing to comply with these requirements.

For more information contact Bushfires NT.
