

BUSHFIRE INFORMATION MESSAGE

Date 10 June 2018

Time 1730hrs

Area Stuart Highway, between Adelaide River Township and Bridge Creek

Message Bushfires NT crews are working to control a wildfire burning in areas adjacent to the Stuart Highway between Adelaide River township and Bridge Creek

Smoke from this fire is affecting visibility on the Stuart Highway.

Bushfires NT crews are working on road verges alongside the Stuart Highway. For the safety of firefighting crews and other vehicles, drivers in the area are urged to slow down, turn on headlights and drive safely for the conditions.

It is expected that visibility may be affected intermittently until 1900 hrs (7:00pm).
