

BUSHFIRE INFORMATION MESSAGE

Date 23 June 2018

Time 0900hrs

Area Stuart Highway between Townend Road and Livingstone Road

Summary Smoke may affect visibility on the Stuart Highway between Townend Road and Livingstone Road

Message Bushfires NT crews will be conducting fuel reduction burning adjacent to the Stuart Highway between Townend Road and Livingstone Road from 1400 hours today.

Smoke from this fire may affect visibility on the Stuart Highway.

Bushfires NT crews will be working on the road verge alongside the Stuart Highway. For the safety of firefighting crews and other vehicles, drivers in the area are urged to slow down, turn on headlights and drive safely for the conditions.

It is expected that visibility may be affected intermittently between 1400 hrs (2:00pm) and 1830 hrs (6:30pm).
