

BUSHFIRE INFORMATION MESSAGE

Date 02 July 2018

Time 1610 hrs

Area Darwin River Road between Cox Peninsular Road and Leonino Road.

Summary The fire on Darwin River Road between Cox Peninsular Road and Leonino Road has now been contained.

Message Bushfires NT crews have contained a wildfire burning on Darwin River Road between Cox Peninsular Road and Leonino Road.

Fire is still burning within the fire ground area and landowners are advised to continue to monitor the situation.

Bushfires NT crews are working on road verges alongside the Darwin River Road. For the safety of firefighting crews and other vehicles, drivers in the area are urged to slow down, turn on headlights and drive safely for the conditions.

It is expected that visibility will be affected intermittently until 1900 hrs (7:00pm).

There will be no further updates unless the situation changes.
