

# DECLARATION OF A FIRE DANGER AREA AND FIRE DANGER PERIOD

The Chief Fire Control Officer of Bushfires NT and A/Chief Fire Officer, Northern Territory Fire and Rescue Service, hereby declare that, under section 62(a) of the Bushfires Management Act 2016 and with reference to section 63 of the Act, for the period from

**4 November 2024 to 17 November 2024** to be a Fire Danger Period in the Savanna Fire Management Zone, inclusive of the Borrooloola, Katherine, Larrimah, Mataranka and Timber Creek Emergency Response Areas (ERA).

The major effect of this declaration is that, throughout the declared area, a permit to burn is required before any burning is conducted, and a person must not leave an area before thoroughly extinguishing any fire they have lit. There are substantial penalties for failing to comply with these requirements.
