

# Get your business cyclone ready

Cyclones can cause significant damage to your business premises.

You can get your business cyclone ready by:

- refreshing your business emergency plans and continuity plans, visit: [business.gov.au/risk-management/emergency-management](https://business.gov.au/risk-management/emergency-management)
- updating your business proprietors after-hours contact details by emailing: [police.assistance@pfes.nt.gov.au](mailto:police.assistance@pfes.nt.gov.au)
- downloading a copy of NT Worksafe emergency plan checklist for business at: [worksafe.nt.gov.au](https://worksafe.nt.gov.au)
- having copies of insurance policy, financial, banking and important documents available for quick access
- stocking an emergency kit with a first aid kit, battery powered radio, torch, spare batteries and a waterproof bag for valuables
- checking your property and infrastructure is secure
- compiling a contact list for your employees, suppliers and products.

Have a plan, don't wait until it's too late.
